

# White Horse Report

SUMMER 2010

**T**his report is for the friends and financial supporters of White Horse Media. First, we thank God for you, for we cannot do this work alone. We are often opposed by satanic agencies, yet we remain uncompromisingly committed to proclaiming solid Bible truth through television, radio, books, tracts, CDs, DVDs, seminars and the Internet to prepare men, women, and children for “the great day of the Lord” which “is near, and hastens greatly” (Zephaniah 1:14). That’s what we are all about. Here’s the latest:

**Jesus will NOT come secretly:** Although the Bible plainly says, “Behold, He is coming with clouds, and every eye shall see Him” (Rev. 1:7), millions of Christians believe in an invisible coming of Jesus Christ (the Rapture doctrine). In April of 2010, Destiny Image released my latest book, *The Rapture Delusions*, to mainstream Christianity, and White Horse Media also unveiled [www.nosecretcapture.com](http://www.nosecretcapture.com) to national media through a press release. The result was fantastic. On May 4, I was the featured guest for 90 minutes—along with a dozen other “panel” members—on *The Wiley Drake Show* based in Los Angeles and heard by tens of thousands around the world. It was electrifying. Pastor Drake (a Baptist pastor) wants me back again in July to discuss the next *Twilight* movie (see below). I look forward to it.

**New TV Series, *The Bible Made Plain*:** On May 24, 2010, White Horse Media will begin production of a 47-hour TV series called *The Bible Made Plain* featuring the dynamic insights of Pastor James Robbins of “Make it Plain Productions.” This series will briefly summarize “all 66 books of The Book” to make them understandable to the average viewer. *How this generation needs such a TV series!* Filming will take three weeks, and when the series is edited, it will both air on television and be available on DVD for you to share with your friends and neighbors.

**Tackling *Twilight*:** *Twilight* movie #3 opens globally June 30, and my next book, *The Trouble with Twilight: Why Today’s Vampire Craze is Hazardous to Your Health*, will be released July 1 to counter it. *Twilight* popularity now exceeds *Harry Potter* among teens. Not only will we send out another press release to national media about my new book, but I am already scheduled for a “live” 2-hour 3ABN TV interview on July 8 to discuss it. Millions will be watching.

**White Horse Highway to Health Coming Soon:** In the next few weeks we will add an exciting new section to our website loaded with practical, cutting-edge health information about nutrition, whole foods, and detoxification from deadly chemicals. Watch for it!

Steve’s next book will deal with Islam and Terrorism

***The Third Woe: Jihadists, Jews, and Jesus Christ*:** This is the tentative title of my next book that I am working on now. Read Revelation 11:14. Pray for me. It will be a real eye opener.

**White Horse Media New Headquarters Project:** Construction nears completion on our new headquarters in Priest River, Idaho. Doors are being installed now. Base trim is next. Then paint, then carpet. Then we move in. Financially, we are still about \$50,000 short of covering all major expenses, but we trust the Lord to provide. After producing *The Bible Made Plain* we will film a TV series called *The Power of Music: For Good or Evil*, and then another about “the spirit of prophecy” (Rev. 19:10). By God’s grace, this will all happen within the year 2010 in our new TV studio.

From the Mailbag:

*Hi Steve, I just wanted to say that your ministry is what turned things around for my husband and I as far as the truths of the Bible. A few years back we were at a crossroads and we asked God to show us His truths and that's when we came across you on the TV...the blinds have been lifted from our eyes. — Sue*

*It was through your teachings that I was given the first 'rays of truth' ...the light that has shined through you and the Word of God has touched and changed my life! Forever! Thank you and God bless your ministry and family! — Mikki*

*I am watching Mark of the Beast Mysteries. WOW!!!! God has blessed me through you and I thank Jesus that He brought you into my life. — Your friend Kenneth Lopez*

*Junie, I have learned a lot from your studies... they really separate the truth from the false doctrines being promoted so highly on TV... THANK YOU! You have enriched my life with the Word! — Mike Barone*

*I'm sure I speak for all of those who follow White Horse Media that we are so appreciative of what God is doing through your ministry. We continue to pray for you, your family, and staff. You are a real voice in these end times and keep us focused on the prize! Thanks so much. — Paul and Tammy Cameron, West Deptford, NJ*

*May God continue to bless your ministry that has blessed soooooo many! — Nicole*

As you can see, the Lord is using White Horse Media mightily! As with many other self-supporting ministries, we are very tight financially these days (which keeps us on our knees), but we trust the promise that says, "He who calls you is faithful, who also will do it" (1 Thess. 5:24). We are greatly encouraged by those who say they pray for us *every day*. Thank you! If the Holy Spirit impresses you to continue supporting White Horse Media, we will do our best to make your gift count for Jesus Christ and eternity.

Steve Wohlberg

Trusting the power of the cross,

Those who give \$100+ in June/July 2010 will receive an autographed copy of my next (larger) book, *The Trouble with Twilight*, as soon it comes off the press.

*Proclaiming His Salvation, Truth and Triumphant Return!*
